

## **General Information on Center for Academic Success**

The Center for Academic Success (CAS) offers onsite academic assistance for students attending classes at the Shady Grove Center.

Here's what CAS can do for you:

- Run your paper by a professional writing consultant ( in person or over the phone)
- Find an individual tutor for a course you could use a boost in
- Take advantage of weekly reviews, called Guided Study Sessions (GSS), in business, social work, psychology, nursing and other areas led by peer tutors who aced the class last year and who knows the ropes
- Offer workshops in speed reading, memory strategies or textbook reading strategies that could save you hours of time and reduce your stress level
- Have a session with your personal academic trainer to see how you can do more work with less time
- Help you tackle and conquer writing snags with grammar assistance handouts, online exercises (with answers) and software programs on our computers
