Introduction

This annual security publication is compiled and distributed annually to supplement Annual Security Reports published by each of the nine partner institutions that conduct classes at USG. Those Annual Security Reports are published in compliance with The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) and contain crime statistics and statements of security policy. Annually, prior to October 1st, current students, faculty, and employees of USG are sent an email message providing them with a link to this brochure and notification that the current edition of Safety & Security at USG; a Supplement to Annual Security Reports Published by Partner Institutions has been posted on the Universities at Shady Grove website. Printed copies of this Annual Supplemental Report may be obtained from the 24 hour security desk located in the Camille Kendall Academic Center on the Shady Grove campus or may be requested from the Safety & Security Office. A printable version may also be downloaded at http://www.shadygrove.umd.edu/annual-security-report

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

The Universities at Shady Grove independently initiates Timely Warnings to the campus community of crimes that are considered by the institution to represent a threat to campus community. Warnings, in the form of Crime Alerts, are initiated in a manner to aid in the prevention of similar crimes. Crime Alerts will be posted on the Shady Grove website, distributed by electronic mail, and/or physically distributed in the form of a flyer or brought to the attention of appropriate media for information dissemination.

With few exceptions, a daily log is maintained that records crimes reported to USG and/or the Montgomery County Police Department. The log contains the nature, date, time, general location, and, if known, disposition of crimes, but the log will contain no personally identifiable information. Entries are made and updated within two business days of the report or update. The log is available online or can be viewed at the office of the Safety & Security Manager (Room III-2121).

USG publishes an annual crime statistics chart, which is included in this publication. No personally identifying information will be included in this chart. In addition to offenses reported to USG security personnel or to the Montgomery County Police Department, Rockville City Police Department, or the Maryland State Police, the report may contain offenses reported to USG Campus Security Authorities (CSAs) that include:

- Director – Center for Student Engagement & Financial Resources
- Director – Center for Academic Success
- Director – Career and Internship Services
- Director – Center for Recruitment and Transfer Access
The Clery Act also requires that the website of the state Sex Offender Registry be made available in any Annual Security Report and that registry is also available in this report. The website for the Maryland State Sex Offender Registry is www.socem.info.

**General Information**

At the Universities at Shady Grove (USG), the safety of students, staff, faculty and visitors is a top priority. USG has taken numerous steps to improve and enhance security related services on the campus. The purpose of this Annual Security Report Supplement is to provide information about the variety of security related resources offered here at USG and to explain security policies that may differ from home campus policies due to our location or our on-site ability to provide services to students and faculty from our nine partner institutions.

The campus is staffed 24/7 with security personnel. USG security guards do not have arrest authority, but are campus officials and may request ID, restrict or authorize access to USG property, or request that persons leave the campus if they are not students, staff, of faculty, have no lawful business to pursue on the campus, and have acted in a manner that disrupts the administrative or educational function of USG. They’re responsible for staffing security desks and patrolling all buildings, the grounds, parking garages, and parking lots. Security personnel also monitor and patrol via the CCTV systems which cover portions of the buildings and grounds of the campus. Not all cameras are monitored at all times, but all cameras are recorded. All observed criminal activity is reported to the Montgomery County Police.

The campus is also served by police officers from the Montgomery County Police Department. Montgomery County Police do not have specific assignments on the USG campus, but officers do patrol through the campus and are the primary agency responsible for responding to calls for police services.

**How should I report a crime?**

All crimes should be immediately and directly reported to the Montgomery County Police by dialing 9-1-1; this is especially crucial when reporting a crime in progress, but all reports should be made in a timely fashion. You may use any campus phone or cell phone to contact the Montgomery County Police; campus phones do not require a prefix or code to get an outside line for 9-1-1 calls. In addition, you should notify on-duty USG security personnel by dialing x6065 from any campus phone or 301-738-6065 from a cell phone or outside line. USG Security will
receive electronic notification of any 9-1-1 call made from proprietary USG phones, but they will not be notified if the 9-1-1 call originates from a cellphone, so secondary notification to USG Security is particularly important if you dial 9-1-1 from a cellphone. Once notified of a 9-1-1 call, USG Security will meet responding police of fire personnel and bring them directly to any reported incident. Notification of USG Security can significantly shorten police and fire response time. USG Security guards or Campus Security Authorities can assist any victim with their option to report any alleged offense to local police, but will ensure that victims are aware that reporting to police authorities is their personal decision and is not required. USG does collect data from responding police agencies for inclusion on our statistics chart, but this data will not contain any personally identifiable information.

**Emergency on campus?**
You should immediately remove yourself from any dangerous areas and then call 9-1-1. In addition, you should notify the on-duty security personnel by dialing x6065 from any campus phone or 301-738-6065 from a cell phone or outside line. For more detailed instructions on specific emergency situations please see the Emergency Preparedness Plan on the Public Safety portion of the USG website.

**Security Escorts**
USG security officers will provide escorts to and from parking lots and the garage or between buildings, whenever requested. You do not need to be affiliated with USG to ask for an escort on the campus. You can request an escort by calling 301-738-6065 or by stopping by the security desk in the lobby of the Camille Kendall Academic Center, Building III. This security desk is staffed 24/7. If there is only one security officer at the desk, another security officer will be summoned to assist you. Specific, additional security requests made by students, faculty, staff, or home institution authorities will be facilitated, whenever possible, by the USG Public Safety Office (301-738-6021).

**Alert Systems**
The Universities at Shady Grove Omnilert system allows the University to contact you during an emergency by sending text messages to your cellphone and to your e-mail (school, personal, and other). Please visit https://www.shadygrove.umd.edu/alerts to sign up to receive these alerts. You MUST sign up to receive these alerts through Omnilert.

When an emergency occurs, authorized senders can quickly notify you using the Omnilert system.
You’ll be connected to real-time updates, instructions on where to go, what to do, who to contact, and/or other critical information. In addition to emergencies, this system may be used to communicate weather concerns, school closures, parking, traffic, and other information.

In addition to the text alert system, USG maintains several email listservs designed to communicate critical information to students, faculty, and staff. This system will be used to notify the community of emergency situations as well as to send timely warnings of recent criminal activity that could reasonably present an ongoing threat to the community.

Emergency Preparedness

The Universities at Shady Grove has instituted an Emergency Preparedness Plan that can be found in the Public Safety portion of our website. The plan is designed to provide a framework for actions to be taken by both staff and students during emergencies. It is not designed to cover all specific contingencies that may occur; however, it is designed to allow flexibility as emergencies evolve.

The Shady Grove Campus does not have its own police force; therefore the plan must frequently rely on staff members taking on multi-dimensional roles and the assistance of off-campus and contracted resources. These resources include, but are not limited to: contracted security personnel, the Montgomery County Police Department, the Montgomery County Department of Fire and Rescue, and the University of Maryland at College Park. The plan includes policies and procedures related to critical incidents including, but not limited to:

- Active Shooter
- Severe Weather
- Fire & Evacuation
- Medical Emergencies
- Pandemic Flu

Behavioral Assessment Team

The Behavioral Assessment Team (BAT) at USG is an active team of staff members who provide resource information helpful to other staff, faculty, and administrators dealing with distressed, disturbed, potentially disruptive, or otherwise problematic members of the USG community. The team is designed to provide information and referrals to those dealing with or concerned about these behaviors. The BAT is NOT designed to deal with immediate threats or immediate crisis situations. Assistance in immediate crises is obtained by calling the Montgomery County Police (9-1-1) and/or contacting the USG security desk at 301-738-6065.

The BAT will make referrals to home campuses, the Montgomery County Police, or any other outside entity deemed appropriate. The Team is not an administrative, treatment or disciplinary
body. It does not adjudicate, discipline, or impose sanctions against any member of the campus community, nor does it provide for or mandate treatment. More information can be found on the public safety portion of the website at:

**Student Conduct Violations**

USG is a University System of Maryland, Regional Center of Higher Education and is not an independent degree-granting institution. There is no USG-specific Code of Student Conduct. The Code of Student Conduct for each partner institution at USG outlines the standards and expectations for students’ conduct and behavior, both on and off campus. Their respective Codes of Student Conduct assist their students in understanding their role in the academic community and establish procedures to ensure due process in the adjudication of complaints and concerns.

Contact information for Student Conduct at USG Partner Institutions, links to Codes of Conduct at our partner institutions, and a link to the USM Board of Regents Policy on event-related student misconduct may be accessed at:

**Video Camera System**

To enhance proactive security patrols, CCTV cameras have been installed in certain exterior and interior public spaces on campus. The cameras are recorded 24 hours/day, 7 days/week, and may be monitored from the main security desk in Building III. Not all cameras are monitored at all times, but all cameras are recorded.

**Center for Counseling and Consultation**

The Center for Counseling and Consultation (CCC), located in Building III, Room 1134 in the Priddy Library, provides comprehensive counseling, psychological, and consultative services to the students, faculty, and staff of the Universities at Shady Grove campus. Services are free and confidential. The Center offers a wide range of programs, including individual, couples, and group counseling formats; psychological and career/major counseling; Skills for Successful Living workshops; self-enhancement sessions; expert and organizational consultation; psychoeducational presentations to groups and classes; and crisis management services.
The mission of the Center is to foster growth, wellness, and success at USG. In addition, the Center helps promote a "culture of care" on the campus. Culture of care refers to creating an environment where each person looks out for the other, regardless of whether they are a student, faculty member, or part of the USG staff. Everyone struggles at times, and our hope is that when you see someone in need of assistance, you will reach out to help them get back on track. Many of those struggling would benefit from having a safe place where they can talk about their concerns and begin to work through them. The CCC provides such a place. When you or someone you know would benefit from talking with a friendly and comforting ear, consider the CCC.

Automatic External Defibrillator Program

Publicly accessible Automated External Defibrillators (AED) have proven to significantly increase the chances of survival of persons who experience Sudden Cardiac Arrest, provided the AED’s are properly equipped, located, maintained, and used. The AED program at Shady Grove was developed using the guidelines provided by the Maryland Institute for Emergency Medical Services Systems (MIEMSS). An AED will be stored and secured at each of the security desks in Buildings I, II, and the Camille Kendall Academic Center (SG III). A fourth AED is mounted outside the Recreation Center in Building III. This AED is kept in a wall mounted box with audible alarm. Each AED will be marked with an identifiable number and its proper location. Included with each AED will be 2 sets of defibrillator chest pads, disposable gloves, cables, and the AED report form.

- An AED manual with all applicable forms, including this policy, will be kept at each of the security desks and the Recreation Center desk.

Maryland Sex Offender Registry

The federal Campus Sex Crimes Prevention Act of 2000 (CSPA) provides for the tracking of convicted sex offenders enrolled at, or employed by, higher education institutions. This act is an amendment to the Jacob Wetterling Crimes against Children and Sexually Violent Offender Act.

Under the law, state and local law enforcement agencies must provide colleges and universities in their jurisdiction with a list of registered sex offenders who have indicated that they are enrolled, employed by or working at the institution. A list of all registered sex offenders in Maryland, including registrants employed or enrolled at Maryland institutions of higher education, is available from the state Department of Public Safety and Correctional Services (required under section 121 of the Adam Walsh Child Protection and Safety Act of 2006) at http://www.dpcs.state.md.us/onlineservs/socem/default.shtml.

Violence Against Women Reauthorization Act of 2013 (VAWA)

In 2014, the final regulations for the Violence Against Women Act amendments to the Clery Act were published by the Department of Education. The regulations expand rights afforded to campus survivors of sexual assault, domestic violence, dating violence, and stalking. The following are references for programs, policies, and procedures at UMD concerning VAWA Amendments and Sexual Misconduct/Offenses (to include Dating Violence, Domestic Violence, Sexual Assault, and Stalking):

- University System of Maryland Policy VI-1.60 “Policy on Sexual Misconduct”
  [http://www.usmd.edu/regents/bylaws/SectionVI/](http://www.usmd.edu/regents/bylaws/SectionVI/)
The University of Maryland, College Park prohibits the crimes of dating violence, domestic violence, sexual assault, and stalking.

- **Dating Violence** encompasses a broad range of behaviors, including sexual assault, physical abuse and other forms of violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the complainant, considering the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved.

- **Domestic Violence** encompasses a broad range of behaviors, including sexual assault, physical abuse and other forms of violence committed by a current or former spouse or intimate partner of the complainant, by a person with whom the complainant shares a child in common, by a person who is cohabiting with or has cohabitated with the complainant as a spouse or intimate partner, by a person VI-1.60(A) – 5 similarly situated to a spouse of the complainant, or by any other person against an adult or youth complainant protected from those acts by domestic or family violence laws of Maryland.

- **Sexual Assault** is any type of actual or attempted sexual contact with another individual without that person’s consent, including sexual intercourse (rape) and attempted sexual intercourse (attempted rape).
  - Sexual Assault I. – Non-Consensual Sexual Intercourse – Any act of sexual intercourse with another individual without consent (rape). This includes penetration, no matter how slight, of (1) the vagina or anus of a person by any body part of another person or by an object, or (2) the mouth of a person by a sex organ of another person, without that person’s consent.
  - Sexual Assault II. – Non-Consensual Sexual Contact – Any unwanted intentional touching of the intimate body parts of another person, causing another to touch the intimate parts of oneself or another, or disrobing or exposure of another without consent. Intimate parts may include genitalia, groin, breast, or buttocks, or clothing covering them, or any other body part (including one’s own) that is touched in a sexual manner. Non-consensual sexual contact includes attempted sexual intercourse without consent (attempted rape).

- **Stalking** means repeated, unwanted attention; physical, verbal, or electronic contact; or any other course of conduct directed at an individual that is sufficiently serious to cause physical, emotional, or psychological fear or to create a hostile, intimidating, or abusive environment for a reasonable person in similar circumstances and with similar identities. Stalking may involve individuals who are known to one another or who have a current or previous relationship or may involve individuals who are strangers.

- **Consent** means a knowing, voluntary and affirmatively communicated willingness to participate in a particular sexual activity or behavior. Only a person who has the ability and capacity to exercise free will and make a rational, reasonable judgment can give consent. Consent may be expressed either by words and/or actions, as long as those words and/or actions create a mutually understandable agreement to engage in specific sexual activity. It is the responsibility of the person who wants to engage in sexual activity to ensure that he/she has consent from the other party, and that the other party is capable of providing consent.
  - Lack of protest or resistance is not consent. Nor may silence, in and of itself, be interpreted as consent. For that reason, relying solely on non-verbal communication can lead to misunderstanding.
Previous relationships, including past sexual relationships, do not imply consent to future sexual acts.

Consent to one form of sexual activity cannot automatically imply consent to other forms of sexual activity.

Consent must be present throughout sexual activity and may be withdrawn at any time. If there is confusion as to whether there is consent or whether prior consent has been withdrawn, it is essential that the participants stop the activity until the confusion is resolved.

Consent cannot be obtained by use of physical force, threats, intimidating behavior, or coercion. Coercion is pressuring another person into sexual activity.

It is a violation of this policy to engage in sexual activity with someone you know, or should know, is incapacitated. Incapacitated, for purposes of this policy, means that the person’s decision-making ability is impaired such that they lack the capacity to understand the “who, what, where, why or how” of their sexual interaction. Incapacitation may result from: sleep or unconsciousness, temporary or permanent mental or physical disability, involuntary physical restraint, or the influence of alcohol, drugs, medication, or other substances used to facilitate sexual misconduct.

Bystanders are encouraged to report any instance of sexual misconduct occurring or about to occur through the local law enforcement agency. Bystander intervention is most safe and effective when the role of a bystander is understood through training programs. UMD has included bystander intervention in Univ100 classes, which are required by students enrolled at the University. UMD also uses the Step Up! Program (www.stepupprogram.org) to provide information and training for bystander intervention. UMD allows for amnesty for bystander intervention as well as victim reporting while under the influence of alcohol and/or drugs.

The University provides written notification to students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims, both within the University and in the community. The University also provides written notification to victims about options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures. Accommodations or protective measures are provided if requested and they are reasonably available, regardless of whether the victim chooses to report the crime to campus police or local law enforcement. The University provides, when a student or employee reports they have been a victim of dating violence, domestic violence, sexual assault, or stalking, whether the offense occurred on or off campus, the student or employee a written explanation of the student’s or employee’s rights and options.

The University and/or Police enforce and uphold any orders of protection, “no-contact” orders, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court, or by the institution.
Sexual Offense Programs (Including Dating Violence, Domestic Violence, Sexual Assault, and Stalking)

Sexual Harassment, Sexual Assault and Sexual Misconduct
The University of Maryland provides a variety of educational programs promoting awareness and prevention of rape, other sex offenses, stalking and relationship violence. Programs designed to help individuals protect themselves and to prevent these crimes from occurring are provided by a number of departments including the University Police Department (301-405-3555), the University Health Center Campus Advocates Respond and Educate (CARE) to Stop Violence Program Office (301-314-2222 or care@health.umd.edu), the Counseling Center (301-314-7651), and the Department of Resident Life (301-314-2100). Special Attention is given to bystander intervention programming. Some examples of these programs are listed below:

Primary Prevention
Campus Advocates Respond & Educate (CARE) to Stop Violence conducts primary prevention using multiple strategies. Campus wide, CARE has adopted the bystander intervention program, STEP UP!: An interactive workshop where participants learn to evaluate difficult life situations and safely intervene using one of the 3D’s (Direct, Distract, and Delegate). STEP UP! workshops are presented to the Greek community in partnership with the Department of Fraternity and Sorority Life (DFSL), to student athletes in collaboration with UMD Athletics, in UNIV 100 courses for new and incoming students, and in partnership with student groups and campus departments. CARE trains peer educators and sponsors large events such as Take Back the Night, the Clothesline Project and Survivor Garden.

Public Awareness
To promote awareness about our University’s commitment to ending sexual misconduct on our campus, we have adopted a University specific campaign called Rule of Thumb. Some people believe the etymology of the colloquialism “rule of thumb” comes from an 1868 criminal case where the court ruled a man could beat his wife with a switch no wider than his thumb. The perceived etymology of the phrase, rightly or wrongly, resonated with us because it provides an opportunity for discussion and education about our history of state sanctioned violence against women. Our collective history informs attitudes and beliefs towards women today. The campaign also captures a simple way of illustrating good and bad behavior, (thumbs up or thumbs down), by describing good and bad responses to potential sexual misconduct.

Our "Rule of Thumb" at Maryland is a personal commitment to help keep everyone safe from sexual violence, intimate partner abuse, harassment, assault and rape. It is a promise to be a part of the solution. For more information about the campaign, click here. (http://www.umd.edu/Sexual_Misconduct/)

Education
The Office of Civil Rights & Sexual Misconduct is responsible for ensuring that all staff, students and faculty receive training on the University’s policy, prohibited conduct, the potential consequences for engaging in prohibited conduct, reporting options, and campus and community resources. Beginning in the Fall of 2014, UMD requires all new and incoming students, each semester, to complete an online training program to ensure students know about the University’s Sexual Misconduct Policy, what constitutes prohibited conduct, the consequences for engaging in prohibited conduct, reporting options and resources.
Survivors of sex offenses are strongly encouraged to report the incident to the Police Department (UMPD) (911 or 301-405-3333) as soon after the crime as is practical. Crimes that occur off-campus should be reported to the jurisdiction in which the crime occurred (UMPD will assist individuals who are unsure of whom to contact). Evidence should be preserved for assisting in proving that the alleged criminal offense occurred, for possible use in the prosecution of the offense, or may be helpful in obtaining a protection order. Police should be contacted immediately to offer guidance in this area. Should a survivor request it, campus authorities will provide prompt assistance in notifying police and/or Office of Student Conduct/ Office of Sexual Misconduct and Relationship Violence.

The safety and well-being of sex offense survivors are the primary concerns of University officials. Therefore, survivors are encouraged not to avoid reporting to university officials due to concerns about legal citations for minor infractions, such as underage alcohol use or illegal drug use, that may have happened at the time the more serious crime occurred. In addition, officials will assist victims in obtaining appropriate medical and mental health care. The University will facilitate a change in academic and/or living situations for the victim if the victim so chooses and if such changes are reasonably available. The CARE to Stop Violence Program Office and The Office of Sexual Misconduct and Relationship Violence can assist with this process.

The University considers sex offenses acts of violence which may be adjudicated by the University’s disciplinary systems as well as the criminal justice system. Sex offenses committed by students should be reported to the Office of Sexual Misconduct and Relationship Violence. Disciplinary proceedings involving alleged sex offenses committed by students are adjudicated through either the Office of Student Conduct (301-314-8204) or the Rights and Responsibilities Office of the Department of Resident Life (301-314-7598) depending on where the alleged violation occurred. Students found responsible for committing sexual offenses will receive sanctions that can include expulsion from the University. Sex offenses committed by faculty or staff members can be referred to the Office of Sexual Misconduct and Relationship Violence and may result in termination of employment from the University.

For confidential reporting of sexual misconduct (including dating violence, domestic violence, and stalking), students should report to CARE to Stop Violence, the Counseling Center, and/or Chaplains. Confidential reporting allows the victim to decline notifying law enforcement.

All complaints of sexual harassment, sexual assault, and sexual misconduct are reported to the Office of Sexual Misconduct and Relationship Violence, located in the Reckord Armory, suite 1103. 301-405-1142, TitleIXCoordinator@umd.edu.

The University’s Policy and Procedures for addressing all forms of sexual misconduct, relationship violence, and stalking can be found at http://www.president.umd.edu/policies/docs/2015-VI-160A.pdf.

The Annual Security Report from each of USG’s partner institutions will include a list of 49 policy or procedural statements that are required by the Clery Act. Each home institution has addressed these policies, in their Annual Security Report, in a manner appropriate to their home campus. In some cases, due to USG’s distance from home campuses or ability to provide specific on-campus services, these policies may be modified or supplanted by USG policies (i.e. fire evacuations, timely notices, etc.) In other cases, these policies remain the sole jurisdiction of the students’ home institution (i.e student conduct, etc.) The following is a list describing the required polices or procedures that are located in the ASR of each home institution and a notation if those polices have been modified, added to, or supplanted by USG policies or procedures.

1. Policies for making timely warning reports to members of the campus community regarding the occurrence of Clery Act crimes. See page 4-5 of this document for USG information.

2. Policies for preparing the annual disclosure of crime statistics. See page 4-5 of this document for USG information.

3. A list of titles of each person or organization to whom students and employees should report criminal offenses described in the law for the purpose of making timely warning reports and the annual statistical disclosure. This statement also must disclose the institution’s policies or procedures for victims or witnesses to report crimes on a voluntary, confidential basis for inclusion in the annual security report. See page 4 of this document for USG policy.

4. Current policies concerning the following: Security of and access to campus facilities, including campus residences? USG does not have residence halls. USG is an open campus; facilities are locked when not in use. See page 5 for additional information on USG campus security and services.

5. Security considerations used in the maintenance of campus facilities. See page 5 for additional information on USG campus security and services.

6. The law enforcement authority and jurisdiction of campus security personnel. See page 5 of this document for USG information.

7. A description of the working relationship of campus security personnel with state and local law enforcement agencies, including whether the institution has agreements with such agencies, such as written memoranda of understanding, for the investigation of alleged criminal offenses. USG is USM property and all University Police Officers (from any campus) may exercise police authority on the campus. In rare cases, officers from USM institutions may be assigned to work at USG for specific events or incidents. But, USG is completely within the boundaries of Montgomery Count, MD, and the primary responding police agency for USG is the Montgomery County Police Department. See Page 5 and Page 20 (footnote #4) for additional information.

8. Policies that encourage accurate and prompt reporting of all crimes to the campus police and the appropriate law enforcement agencies. See page 5-6 of this document for USG policy.

9. A description of procedures, if any, that encourage pastoral counselors and professional counselors, if and when they deem it appropriate, to inform the persons they are counseling of any procedures to report crimes on a voluntary, confidential basis, for inclusion in the annual disclosure of crime statistics. See page 4 of this document for USG procedures.

10. A description of the type and frequency of programs designed to inform students and employees about campus security procedures and practices and to encourage students and employees to be responsible for their own security and the security of others. In addition to home institution programs, the USG Public Safety Office attends and speaks at each student, staff, or faculty orientation, and gives other presentations upon request to any class, organization, or group on the campus.

USG does not currently have any of these locations.
